PT Programmes will be organized multiple times on quarterly basis subjected to the availability of sufficient number of participants (more than 8-10).

INTRODUCTION

FARE Labs Pvt. Ltd., Gurugram is a state-of-the-art laboratory employing around 400 highly qualified, trained and competent personnel. We are into Testing, Calibration, Proficiency Testing, Training and Consultancy Services. Founded in 1999, FARE Labs Private Limited is functioning from three different locations in Gurugram. The main office is located in the heart of Gurugram near IFFCO Chowk while the other two locations are in Infocity, Sector 33, Gurugram. The PT activities are being operated from D-18, Infocity, Sector 33, Gurugram. FARE Labs is promoted by Mr. Dwijendra Mathur and Mr. Chandra Shekhar Joshi, a team of Chemical Engineers with a combined industry work experience of over 60 years. FARE Labs has relentlessly pursued scientific excellence and leadership and is considered as one of the leading laboratory in India in the fields of Testing, Calibration and as PTP. Over the years, FARE Labs has developed strong long-term relationships with its customers, including many leaders from domestic and global Companies, International NGOs and Government bodies.

ACCREDITATIONS, RECOGNITIONS & CERTIFICATIONS:

FARE Labs Private Limited is an accredited laboratory as per ISO/IEC 17025:2017 in the field of Testing (Chemical, Biological, Radiological, Mechanical & Electrical Disciplines) and Calibration (Thermal, Mechanical, Dimension, Electro-technical, Fluid Flow & Medical Devices). FARE Labs also has accreditation as per ISO/IEC 17043:2023 and is a Proficiency Testing Provider (PTP) in the field of Testing (Chemical, Biological & Radiological) as well as Calibration (Thermal, Mechanical & Electro-Technical). The laboratory is recognized by FSSAI, EIC, APEDA, Tea Board and IOPEPC through Integrated Assessment Scheme of NABL India. Further, FARE Labs has been given the status of National Reference Laboratory for Oils & Fats by FSSAI (2019-2023).

FARE Labs (PTP) has conducted a number of PTs in the field of both Testing and Calibration since its accreditation as per ISO/IEC 17043:2023 in 2024. In an effort to extend the services to accredited laboratories and those seeking accreditation as per ISO/IEC 17025:2017, FARE Labs has expanded its PT scope during the Re-assessment of PTP conducted in 2022 and has prepared an exhaustive PT Calendar 2025 for both Testing & Calibration fields covering wide range of products and matrices. **The PT Calendar 2025 now covers the entire accredited scope as approved by NABL after there- assessment of PTP and available on NABL Website.**

Proficiency Testing Programme ensures the quality and validity of test results and thus, supports sustainable business growth. It is important not only to participate in the PTs but to perform well in terms of z-scores.

- Participation in Proficiency Testing Programme has following advantages and benefits:
- Ensuring the quality of analytical results, enabling laboratories to monitor and improve performance over time
- Providing a mechanism for quality assurance and demonstration of satisfactory technical competency
- Identifying testing or measurement problems
- Comparing methods and procedure
- Improving performance

- Instilling confidence in staff, management and external users of laboratory services
- Comparing operator capabilities
- Determining method precision and accuracy
- Satisfying regulators and accreditation bodies
- Providing laboratories with additional risk management

Information for PT Registration:

1. The dates for a PT Round initiation will be intimated as soon as sufficient number of participants (8- 10) in a particular PT will be received. Subsequently, the dates for the submission of results and PT Report release will be communicated to all the participants.
2. Participants are requested to register themselves for PT participation by sending us mail with filled in "PT Registration Form" along with the respective Participation Fees in advance.
3. The payments made should also include the Shipping Charges as mentioned and 18% GST as per government notification.
4. PT Reports will be circulated to participants in the form of soft copies (pdf format) only.
5. Participants from India and overseas can contact us on ptprovider@farelabs.com (for Testing Disciplines)
